ALDOT Urges Motorists to Drive Safely This Holiday Season ***Limited Road Construction and Lane Closures during Holiday Period***

MONTGOMERY – Highway travel during the 2014 National Memorial Day holidays is expected to be heavy in Alabama. The Alabama Department of Transportation urges motorists to always drive safely in their travels and during this holiday season.

As an added precaution during the heavily traveled holiday periods, ALDOT announced today there would be no temporary lane closures on Alabama interstates after 12 noon, Friday, May 23 through midnight, Monday, May 26, 2014.

For the safety of the traveling public, construction industry workers and maintenance crews, roadwork will be limited during these busy holiday periods. Throughout the year, ALDOT limits road construction during major holidays. However, emergency lane closures may be possible dependant on specific circumstances on interstates and other state roadways.

ALDOT's mission is to provide a safe, efficient, environmentally and economically sound transportation network across Alabama. For further information, visit www.dot.state.al.us.
